

**Curriculum Vitae**  
**Ahmet H. Elmaagacli, M.D.**

**Date of Birth** : September 1, 1961

**Birthplace** : Kayseri/Turkey

**Education (all in Germany)**

Elementary School : 1967-1971

High-School (College) : 1971-1980

Education in Chemistry  
University of Siegen/Germany : 1980-1981

Medical Education  
University of Tübingen Medical School : 1981-1985  
1986-1988

Education in Molecular Biology  
Arizona State University /Tempe, AZ : 1985-1986

**Professional Experience**

Fellow in Internal Medicine:  
Medical Dept. Herzzentrum Berlin : 1/89-6/89  
Dept. of Internal Medicine  
(Tumour Research) Essen : 6/89-6/91  
Military Hospital Burdur/Turkey : 8/91-12/91  
Dept. of Hematology Aachen : 1/92-12/92  
Training in Molecular Biology Essen  
Institute of Molecular Biology/Essen : 12/92-5/93  
Dept. of Bone Marrow Transplantation Essen : 5/93-8/13

**Licensure in Internal Medicine** : 2/98

**Licensure in Hematology/Oncology** : 8/01

Senior:  
Assistant Medical Director at Dept. of Bone  
Marrow Transplantation : 01/01-06/07  
Ass. Professor for Internal Medicine at the  
University of Essen Medical School : 07/07  
Head of the molecular genetic  
Laboratory at the Dept. of BMT : 05/93-08/13  
Head of the outpatient-service of the  
Dept. of BMT : 01/10-08/13  
Head of the allogeneic transplant section of  
Asklepios Hospital Hamburg : 09/13-02/14  
Head of Department Hematologogy/Oncology/  
Transplant of Helios Klinik Schwerin : 03/14-12/16

## **Current Position**

Head of the Department of Hematology/Oncology and Stemcelltransplantation of Asklepios Klinik St.Georg, Hamburg from 01/17

## **Studies**

PI of more than 20 national and international studies

## **Research Experience**

Numerous grants in experimental and clinical bone marrow transplantation. Grants about 2.000.000 €

## **Publications and invited talks**

More than 90 Originalpapers (32 as First or Seniorauthor). Morethan 100 invited talks, 21 Chairman on Internationale Kongresses. Morethan 370 Abstracts as Author or Coauthor

## **Awards**

1. „**BALANCE AWARD 2007**“ donated with 30.000 € for „RNA-Interferenz zur Hemmung des Enzyms Glukosyl-ceramidsynthase bei Morbus Gaucher“ by Actelion Pharmaceuticals Deutschland GmbH at 113. Kongres of the German Society of Interanl Medicine.
2. „**JIAN-JIAN LUAN**“ **AWARD 2012** donated with 1000.00 € by European Group for Blood and Marrow Transplantation for best contribution to lymphoma transplant research 2012

## **Current Research Topics**

Clinical blood and marrow transplantation  
 Aggressive lymphoma  
 Multiple Myeloma  
 Acute leukaemia  
 CMV and leukemic relapse in AML and NHL

## **Society Memberships**

German Society of Hematology/Oncology (DGHO)  
 American Society of Hematology  
 German Society of Internal Medicine  
 European Bone Marrow Transplantation Cooperative Group  
 Turkish Society of Hematology

## **Reviewer of following Peer-reviewed Journals**

Since 2000 Bone Marrow Transplantation  
 since 2003 Hasemoatologica  
 since 2005 Transplantation  
 since 2006 Molecular Biology Reports  
 since 2006 Leukemia

since 2007 Biology of Bone Marrow Transplantation  
since 2007 Gene  
since 2010 Blood

**Reviewer of many national and international Foundations**

Hamburg,  
Ahmet H. ElmaagacI, M.D.; Ph.D.
